Qualifications:

Bachelor of Medicine and surgery (M.B.B.S.): 2006 (Misurata University).
Libyan Board of Paediatrics: January 2018.

Career:

I have finished my rotation in General Paediatrics, PICU, Neonatal unit including NICU in Misurata teaching hospital (MMC): 2007– 2018.

Now I am working as a consultant paediatrician since the beginning of 2019 in MMC.

I have special interest in Paediatric Cardiology; and I have spent a five month period attending long shifts on East Midlands Congenital Heart Centre in Glenfield Hospital – Leicester UK: 13/01/2013 – 13/06/2013; so I am one of leads of the Cardiology Clinic and the management of the inpatients in paediatric department/MMC.

Along with that I am the supervisor of the intern doctors in our department since March–2019.
