

# *Curriculum Vitae*

## **Prof. Fatma M.M. Emaetig**

Head of Pathology department at  
faculty of Medicine, Misurata  
University, Libya.

Head of pathology department and Consultant  
histopathology at National cancer institute(NCI)  
Misurata ,Libya.

Program Director , Libya Delegate to the Arab Board Medical  
Specialties of pathology, Member of the Training committee of the  
Arab pathology Council

- Member of the National cancer control program (NCCP.LY).
- International fellow College of American Pathologists ( IFCAP )

MBChB, MD, FACHpath ,IFCAP

Fmamaitik@gmail.com

## **Personal information**

Name : FATMA M.M. EMAETIG

Date of Birth :- 25.12.1969, Benghazi

Nationality: Libya , Misurata

## Contact Information

E.Mail : Fmamaitik@gmail.com

Tel. No.: 00218922855007

---

## Professional Experience

***Head of pathology department at Pathology department at faculty of medicine / Misurata university***

***.International fellow college of American Pathologists (IFCAP ) from 1.1.2021***

***-Head of pathology department at national cancer institute ,Misurata from 2021***

***.Program Director , Libya Delegate to the Arab Board Medical Specialties of pathology, Member of the Training committee of the Arab pathology Council 29.1.2019***

***-Professor of pathology at faculty of medicine /Misurata university from 8.12.2021***

***.Member of the National cancer control program (NCCP.LY) from 1.7.2020.***

*Professor at pathology department / faculty of Medicine/  
Misurata university from 8.12.2021*

*Associate Professor at pathology department/ Faculty of  
.Medicine/Misurata university from 8.12.2017*

.Assistant Professor at pathology department/ Faculty of  
Medicine/Misurata university from 1.3.2015.

.Consultant histopathology at Misurata cancer centre from 8.3.2015.

.Assistant Professor at pathology department/ Faculty of  
Medicine/Benghazi university from 8.12.2013.

.Diagnostic Histopathologist at Benghazi medical center (BMC) from  
26.03.2013.

.Head of Pathology department at Benghazi University from 1.10.2012.

.Diagnostic histopathologist at Hawari- general Hospital from 30.4.2011

.Lecturer and Diagnostic Histopathologist at pathology department/  
faculty of Medicine/ Benghazi University from 8.12.2010.

## **Qualifications: ( in Libya & Germany)**

*. Awarded the degree of " MD of Pathology" ( Facharzt for Pathologie)(German Board) at General Medical Council/ North Rhine/ Duesseldorf /Germany -Heinrich –Heine University/ Duesseldorf . at 14/ 7/ 2010 .Doctorate degree of Pathology*

. Enrolled in residency training program of Arab Board of Internal Medicine from 01.01.1997 to 31.12.2000

.I passed part one examination on December 1997

.I passed clinical competence assessment examination on June 1999

.I completed satisfactorily the four year residency program of Arab board .

.Awarded the degree of M.B.Ch.B. at Garyounis University / Faculty of Medicine. (12/12/1994)

## Experience & Education in Libya:

.I had completed a year of compulsory residency ( internship) from 1.02.1995 to 31.01.1996 in Hawari hospital.

. S.H.O ( Senior House officer) Rotation:- ( Arab Board Program:internal Medicine) as showing:- ( 1.1.1997 to 31.12.2000)

.General internal medicine	One year
. Respiratory medicine	Six months
. Neurology	Six months
. Cardiology/CCU	Six months
. Endocrinology	Three months
. Hematology	Three months
.Nephrology	Three months
. Infectious diseases	Three months
. Gastroenterology	Six months

.From 01.01.2001 to 30.09.2001 Registrar in Neurology& Internal Medicine.

.From 01.10.2001 to 2003 Demonstrator in Pathology Department/ Faculty of Medicine/ Garyounis University/ Benghazi/ Libya.

*.2003 I had granted a Scholarship by the Secretariat of Education for postgraduation study in Pathology .*

*.From 8. 12.2010 working in Diagnostic histopathology and immunohistopathology lab and as Lecturere at pathology department/ Faculty of Medicine/ Benghazi University.*

*.Teach Undergraduate and postgraduate students.*

*.Participation of supervision of Master reasearches.*

*.From 30.4.2011 to 30.09.2011 worked in Diagnostic histopathology lab at Hawari-general hospital.*

*.From 1.10.2012 upto 1.1.2015 head of Pathology department at Benghazi University .*

*.From 26.03.2013 upto 1.1.2015 worked as Diagnostic histopathologist at Benghazi medical center.*

*. From 1.3.2015 upto date Associate professor at pathology department ,faculty of Medicine ,Misurata University and Consultant Histopathology at National Misurata cancer centre .*

## Experience& Education in Germany

*. Intensive residency program of Pathology in University Medical Center/ Institute of Pathology/ Heinrich –Heine University/ Duesseldorf/ Germany from 1.11.2004 to 26.10 .2010. ( 25,000 surgical pathology specimen and immunohistochemistry , 15,000 cytology specimen, 200 autopsies , 1500 frozen section , 1000 molecular pathology including*

*PCR and FISH, research methodology ,regular participation in clinical conferences )*

.Experience in histopathology ( Biopsy and resection ), Cytopathology, immunohistochemistry, Frozen section , Autopsy ,FISH analysis and Molecular Pathology.

.Experience in General and special Pathology.

.Teach general and special Pathology to undergraduate medical Students in university hospital / department of Pathology/ Duesseldorf/ Germany.

.Clinical- Pathological Conference every week at University Medical Center / Duesseldorf.

. learned Germany language at Goethe- Institute / Duesseldorf/ Germany for 10 months

### **Accomplishment :- ( Published Researches)**

1-C.Naujoks, J. Handschel, S.Braunstein, **F. Emaetig**, R. Depprich, U. Meyer, N.Kuebler ( Dermoid cyst of the Parotid gland) . Elsevier Ltd on behalf of International Association of Oral and Maxillofacial Surgeons

## **Courses , Seminars and Tutorials:**

Participation in:-

. Mammopathology update 2009 Symposium ( International Academy of Pathology). Germany

.IAP Theory and Practice of " Molecular Pathology". ( International Academy of Pathology). Germany

.Tutorial of Neuroendocrinous tumors of the Stomach, Intestine and Pancreas( International Academy of Pathology) . Germany

.Tutorial of clinic and morphology, inflammatory Skin diseases ( International Academy of Pathology). Germany.

.Clinical courses and workshops ( liver pathology ,Approach to skin diseases ,GIT pathology) in UK and USA.

.8<sup>th</sup> Juniors' Academy of the IAP(International Academy of Pathology) Germany.

.Workshop: Gynecological Cytology" (.General Medical Council North Rhine , Arztekammer Nordrhein).Germany

## **Memberships :-**

.General Medical Council North Rhine ( Arztekammer Nordrhein).Germany

-international fellow college of American pathologist IFCAP ,  
from 1.1.2021

. International Academy of Pathology ( IAP) ,German Division ( Bonn).  
And Arab Division

-Member of the Training committee of the Arab Board pathology  
Council

-Member of the National cancer control program ( NCCP.LY)

-Member of Higher pathology committee at Ministry of health  
,State of Libya.
